August 30: Guest Speaker: Lee Mason, Board of Directors School

A brief overview of the annual educational workshop for volunteer directors to be held on Oct 4 & 5. The Oct session will cover basic information that everyone who serves on a board should know—legal liabilities, governance, handling the media, measuring success.

September 6: Guest Speaker: Doug Ante, Rotary in Zimbabwe

Be sure not to miss Doug's presentation as he talks about his experiences in Zimbabwe. The fortunes of Zimbabwe have for more than 2 decades been tied to Pres. Robert Mugabe, who wrested control from a small white community and put the country on a stable course. Now he presides over a nation whose economy is in tatters, where poverty and unemployment are endemic and political strife and repression commonplace. Hear first hand what life is like and what is being done to support the people.
