September 6: Guest Speaker: Doug Ante, Rotary in Zimbabwe

Be sure not to miss Doug's presentation as he talks about his experiences in Zimbabwe. The fortunes of Zimbabwe have for more than 2 decades been tied to Pres. Robert Mugabe, who wrested control from a small white community and put the country on a stable course. Now he presides over a nation whose economy is in tatters, where poverty and unemployment are endemic and political strife and repression commonplace. Hear first hand what life is like and what is being done to support the people.

September 13: Guest Speakers: Michelle Kocourek & Carol Webber, Child Development Centre

September 20: Guest Speaker: Joan Firkins, Governor, District 5010

A quick shot from Saturday's festivities at the McAuleys. What a GREAT party!

A little back to school humour.....

Summer vacation was over and Little Johnny returned back to school. Only two days later his teacher phoned his mother to tell her that he was misbehaving. "Wait a minute," she said. "I had Johnny with me for three months and I never called you once when he misbehaved!"

More photos from Saturday's party. If you weren't there—you sure did miss a great time. Wonderful fellowship and fabulous food—including drunken tomatoes..... Ask Christine for the recipe. Brad & Christine—thank you for a wonderful evening.

And then I said to the Queen.....

Now that's funny!

Message from District Governor Joan Firkins

In our continuing effort to educate and gain support from our members regarding the Rotary Foundation, the Bank of Rotary, here is your Foundation Thought for the Week: **Group Study Exchange**

Group Study Exchange is an educational program that promotes international understanding through organized travel and personal contact. This program provides travel grants for teams of young professional men and women to exchange visits between paired areas in different countries. For four to six weeks, team members study the host countries institutions and ways of life, observe their professions practices abroad and develop personal and professional relationships and exchange ideas. Many worthwhile matching grant projects have resulted from Group Study Exchange team members seeing a need in another country and using the vast Rotary network. **Only with our continued support will we be able to fund these valuable exchanges.**

This year our District is paired with South Korea and Brazil - <http://www.rotary5020.org/foundation/exchange/index.php> . The deadline for Team Leader and Team Member applications has been extended to September 8th!
