*Foundation Thoughts.....*

*Ambassadorial Scholarships Program*

The Rotary Foundation began in 1917, but didn't become a major component of Rotary until founder Paul Harris' death in 1947. Upon Paul's death, more than \$1 million was contributed in memorial gifts. Shortly thereafter the first program of the Foundation was established; *Fellowship for Advanced Study* - the forerunner to the now-popular Ambassadorial Scholarships Program.

The Rotary Foundation's Ambassadorial Scholarships program is one of the world's largest privately funded international scholarship programs for university studies. Since 1947, approx. 37,000 students from some 110 countries have studied abroad. Did you know that film critic Roger Ebert, journalist Bill Moyers, and Sadako Ogata, the former UN High Commissioner on Refugees were Rotary Ambassadorial Scholars? Check out our District website for more information on Ambassadorial Scholars <http://www.rotary5020.org/foundation/scholarships.php> .
