*Tales from the Penny Jar ....*

#### Part 4— "A Narrow Escape"

We sat in the person's pocket for a long time. The next day we were almost put into the washing machine, but thank goodness the man's wife found us first. She put us in her pocket. Later that day, as she was putting more change in her pocket, Paul the nickel fell out. I sometimes wonder what happened to him, but I have met so many pennies and nickels and dimes, I do not worry for too long. That evening the man's wife put me on her kitchen counter.

A few weeks after the wife had put me on the counter, a young girl picked me up and put me in her extremely pink purse. It was soft and warm. I fell asleep in the warmth of her wallet. When I woke up, I believed I was in her school cafeteria. She was in a long line with a group of other people. As we got near the front of the line, the girl started to fumble around in her purse. She was trying to find as much money as she could. I edged my way away, so that I could stay in the warmth as long as possible, but she still found me.

I was put into yet another cash register. This time I constantly smelled human food and the cash register drawer open much more frequently. I came to realize that at certain times of the day, people bought food. The nights were long and cold in the cash register. But, after a few weeks, I was brought out, and along with my fellow coins, counted and put into a bag. We clashed and clinked and tumbled around. A few days later, we were taken to what I now know is a bank.....

Stay tuned for next week's instalment.

*March 14 Meeting Notes**Submitted by Rod Mont*

Don Bonner discussed our club's involvement in Naivasha, Kenya for his Rotary Minute: in conjunction with several other Rotary clubs, over \$30,000 has been raised for such things as rainwater collection storage tanks, text books, electrical supply to a clinic and carpentry tools.

Darryl Shaw reminded everyone that next week is our membership drive day. Bring a guest to the meeting and complete the form he handed out: "My most memorable moment in Rotary". Nicole Gosselin advised that there is still alcohol left from our fund-raising events... she will be selling bottles from the trunk of her car following the meeting. Christine McAuley announced that on March 24th, the Vancouver Island Symphony will be presenting Face the Music with Ross Fraser being roasted this year.

President Kris passed around an international toast that our club received from the Rotary Club of Bathurst Daybreak, New South Wales, Australia along with an invitation from that club to visit them if any of our Rotarians are in that area. President Kris also reminded everyone that the District Conference will be held on June 1 - 3. Everyone was encouraged to attend the District Conference and learn lots about Rotary. Ron Medd introduced Erin Galavan, a grade 11 student from NDSS, who was chosen to go to RYLA (Rotary Youth Leadership Awards) on behalf of our club. Erin thanked us for sponsoring her and told us that she met lots of interesting students at RYLA and heard amazing speakers.

Our guest speakers were Merv Unger and Tony White from the Nanaimo Addiction Foundation. Tony described how addiction has exploded in North America and that it has been estimated that \$45 billion is lost each year in enforcement and productivity loss. Tony stated that there are thousands of people in our community impacted by addiction issues. The biggest program in our area is the Vancouver Island Health Authority. VIHA doesn't work well in this area, according to Tony, because it is a huge bureaucracy and because funding issues make long term planning difficult. The idea of the Nanaimo Addiction Foundation is that, as a registered charity, people, groups or businesses can donate funds for use in our community and the programs set up by the Foundation will not need to rely on government funding. The Foundation's goal is to raise \$100,000 this year.
