NOTICES & NEWS

Junior Achievement: A Business of Their Own...

As you know, our Career Development project is the Junior Achievement, *Business of Their Own* program. We are looking for volunteers to deliver presentations in the classroom and always give our sponsors the opportunity to volunteer before we reach out to the broader community. The time commitment is 7-10 hours in total and there will be an orientation on. (It is very important that volunteers attend the orientation.) Breakfast snacks will be served. You can elect to deliver the program on your own or work with a partner. Below is an overview of what is expected. It's very much like the Economics of Staying In School in terms of volunteer commitment. Please contact me if you are interested. There are forms to fill out and a criminal record check to complete. Many thanks. Lee Mason
