## NOTICES & NEWS

### *Calling All Daybreak Rotarians...*

The Poker Tournament will be coming up Sept 17<sup>th</sup> (Saturday) at the Harewood Legion.

In order to help keep costs down and to get as many Rotarians to participate as possible, we are asking any who are interested in being dealers to contact Jeff Boegel as soon as possible. We will, of course, have a dealing teaching session prior to the event so you all know what you are doing and how to manage/play the game. It will be a fun fellowship & sure to be of interest.

We will also need ticket takers, greeters and general support if anyone would just like to hang out and watch.

Please email Jeff at [jeff@nisa.com](mailto:jeff@nisa.com) to register.

*Meeting Notes - August 17th* notes by *Wendi Ferrero*, photos by *Ron Blank???*

*Brian speaks to the meeting...*

Hello there! It's me again. Our usual scribe has asked me to take over for the day, as he mentioned something about pole dancing at a Club or something along those lines...

President Bill tried to herd us like cats today. It was a Club Assembly and he divided us into tables depicting the avenues of service, except the upcoming Poker Tournament and Grey Cup people garnered their own table. There was a great hulla-baloo while everyone ran around trying to figure out at which table to be. It was WAY too much thinking for so early in the morning before coffee!

Visiting Rotarians were asked for and Norman from the Chinook Club in Calgary was introduced. Welcome Norman! There were no guests to be seen.

*...Rod speaks to the meeting...*

Brian Kirkhope (who had his daughter Sarah on deck somewhere) announced the amount of money raised at the Swim Club Dinner on the 6<sup>th</sup> of August - \$1,718.97 to be exact. Well done Brian and Crew! Brian also asked for a show of hands who would be interested in helping to supply the dinner for the Swim Club Regional Meet next year at this time. He must have been happy with the hands in the air because he then quickly rushed off to rescue Sarah!

Rod Mont circulated a list at each table for members to fill in what month they would like to do something with the incoming Exchange Students. Rod and Heather Mont will be hosting one of the Exchange Students. Rod said he would be asking for a "Bucket List" from each of the students, as well.

*...Neil speaks to the meeting...*

Kris Rongve spoke to the upcoming Fellowship Events. There will be a BBQ in September with details to follow, as well as a Chemainus Theatre outing on October 21st. The cost for this is \$66.00 per person and includes a very sumptuous buffet dinner, a production of Amadeus, and the opportunity to socially interact with your fellow Rotarians at the end of the day, instead of the beginning!

Kris also reminded everyone that the Foundation goal for this upcoming year is \$6,000. We are presently at \$879. She told us that there are many ways to donate to Foundation. She will be sending an envelope around each week in which you can deposit as little or as much as you like. You can donate on line, in which case Kris won't know about it until sometime down the road, because that's how safe the system is. She will also accept post dated cheques. I believe she drew the line at first born children.....

*...Gayle speaks finances to the meeting...*

Bob Wall informed us that the 5 Clubs have gotten together to promote a joint PR campaign for Rotary locally. Lots of people know that Rotary is helping to eradicate Polio, but do they know what Rotary has done for them locally, lately? Bob Wall set forward a notice of motion for \$1,000. to be set aside for this PR work. It was seconded by Jeff Boegel and will be voted on next week.

Darryl Shaw was in charge of the Rotary Minute and he found an APP for That! He told us there is actually an application for iPhones, iTunes and iPads that tells you where in the world Rotary meets - complete with times,

Four Way Test*

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

locations, etc. He was so kind as to volunteer Patrick Maguire's iPhone if you didn't happen to have one yourself – so simply by calling Patrick, he can look up all this for you on his phone. Also iTunes has pod casts of Radio Rotary one hour talk shows. Darryl claims it is like attending a make up meeting where they discuss all things happening in the Rotary world. He gave us the location of where it comes from but people at my table were talking to me, so all I know is it is in upper New York State and something about 107.5. Ask Darryl if you want more info

President Bill announced that we had a Thank you card from the Child Development Centre for our donation of \$2,500 to them.

As it was a Club Assembly meeting, the budgets were on the table. Gayle Wilson said she wanted to present a balanced budget and stated that things are pretty quiet for now. She is just learning the ropes and getting all her ducks in a row. Our budget is available on the website, but is password protected. Do you remember the password? Me neither – I think I know what it is but will have to ask Ron Blank to confirm my memory.

President Bill said that he had attended to the Bingo Review process the preceding Friday. He is co-coordinating with Barry Sparkes from the Lantzville Club on putting together some sort of overview of the Bingo process and how it applies to Rotary. There was much more said on this, but sadly it was lost in translation...sorry.

Chris Everett thanked everyone who came out to last week's Pub Night, and especially to Doug Lum who donated a \$50.00 certificate for the Pub and Sher who coordinated the event. The next Pub Night is to be September 8<sup>th</sup> and location TBA. The BBQ referred to earlier in this tome is to take place on September 10 at the home of Donna and Nelson Allen. Chris reminded us again about the Chemainus Theatre outing in October, and said the Fellowship Committee is looking into a wine tasting tour in November. Again, details TBA.

Somewhere in the middle of all this we went into deep discussion regarding our different avenues of service. Don't know what came of it all, but apparently things were discussed!

Randall Taylor oversaw the 50/50 drawing for the morning. Darryl "There's an APP for that!" Shaw had his ticket drawn, but we weren't looking for the 6 of Hearts. Ex-President Patrick had his ticket drawn for the battle of the bottle against the current President. I believe President Bill won the draw, but don't know if he took the bottle or left it for next week.

There was some really good happy bucks acknowledged, with the best being Beverley Bonner giving Don Bonner an anniversary gift of a cheque....no ordinary cheque was this...she took on an extra job to be able to provide Don with a cheque for \$300. to go toward Foundation on Don's behalf....We all agreed that Beverly was a keeper! Don we are on the fence about....and speaking of fences... Don reminded us that White Boards for White Boards is on this coming Sunday morning.

Wait a minute! I remember now that Ron Blank said he was going away fishing with a pole, not pole dancing! It stands to reason that the Club he was referring to was probably a golf club. Whew! Glad I figured that out - I wouldn't want to start a rumour!

...However, the audience seemed a tad unimpressed.....Wendi was unsure what to write.....even our guest, Martin from Calgary, looked a little doubtful... ;-)
