Meeting chaired by Chris Everett in the absence of Denise Larson.

Rotary Minute

Chris Everett stepped in for the missing in action, Christine Craigie, and talked about the young woman from Malawi, Africa who was able to overcome severe challenges as a child and attend leadership training in university with the help of rotary funding. Chris advised of Rotary's continuing involvement in leadership training and made reference to the Rotary Youth Leadership Assembly (RYLA). Chris thanked Rotary for allowing him to develop his leadership skills and suggested we all take advantage of this opportunity by serving on the board or chairing a committee. Chris also mentioned that Ken Hammer, Bev Hilton, and his spouse Christine have all made it safely to Sunyani, Ghana.

Chris was leader for the day...

...San brought his son...

Brian Kirkhope advised that his daughter Sarah is performing in a school play tonight at the Port Theatre.

Rod Mont advised that, in the past, the President and previous winners have been excluded in the voting of Rotarian of the Year. Rod informed the meeting that these restrictions were making the eligible members pool quite small. Rod put forward a motion that the only club members not eligible to receive the Rotarian of the Year award in each year will be the current President and winners of the award in the last three years.

Patrick Maguire advised the meeting that our annual shredding fundraiser is scheduled for May 11, 2013 from 10 am to 2 pm.

Guest Speakers: RYLA students Cassidy, Riley and Jake

All students are grade 10 students attending NDSS. Cassidy advised that assembly was held Feb 28 through March 3 at the Pacific Lutheran University campus in south Tacoma, Washington. It was attended by students sponsored by the District 5020 clubs. Cassidy was most impressed by the guest speaker who recanted the challenges he faced surviving the Holocaust. She also advised that the assembly provided a great opportunity to make new friends.

Jake advised that he enjoyed hearing the guest speaker who had lost

Four Way Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

his legs in Vietnam and then went on to reinvent the wheelchair and develop the mono-ski. Despite his physical challenges, he had a very accomplished career.

Riley advised that he enjoyed spending time with like-minded students; everyone was upbeat and very friendly. They engaged in many teambuilding and leadership games, such as learning to juggle and building marshmallow towers. The boys slept on the gym floor and, in keeping with most teenage boys, he enjoyed the food provided at the assembly. Overall, the experience was very positive and they came home with the belief that they can make a difference.

Jeff Boegel advised the Poker Tourney held on April 20/13 was a great success, with 70 players attending. Jeff estimates that our club was able to raise \$2500 on this event.

...Our RYLA guests with club RYLA rep, Lynda Kaz and Chris...

Dawn Anderson told us that The Salvation Army Nanaimo Corps is celebrating its 125th anniversary in the city and is inviting the community to help recognize the milestone. The church is holding an open house Thursday (April 25) at its Nicol Street location downtown. The event will be attended by the Mayor.

Yours truly advised the meeting that, in recognition of the once in a lifetime event..... the Maple Leafs making the playoffs, we have scheduled the third annual Rotary Daybreak Hockey Playoff Pool to be held at the Black Bear Pub this Tuesday @ 6pm. Everyone welcome. Buy-in is \$20.

Patrick Maguire indicated we need volunteers for the P.A.R.T.Y. program today. Patrick informed the meeting that our club has not only been volunteering, but also financially supporting the program for the last three years. In the last three grad years in Nanaimo there have been no motor vehicle deaths, an indication that the program is having a positive impact on our youth.

...Don checking his fine list...that's list of fines, not a FINE list.

The Motion presented by Ron Blank (seconded by Donna Allen) at last week's meeting was brought back to the floor. Motion: that "Rotary Daybreak amend the requirement that we spend the \$10,000 excess funds on "Bricks and Mortar" to "spend the \$10,000 excess funds on one or more projects that is/are lasting and promotes our Club's donation." Motion tabled until next meeting.

50/50 Draw

Rod Mont's Five of Spades was pulled so he won \$52.50. Rod indicated that he will be donating his winnings to Foundation. Then Patrick had his King of Hearts drawn and he won the leftover bevs from the Poker Tourney

Sgt @ Arms Don Bonner

Don Bonner fined Chris Everett for breaking the PETS rule of never admitting a mistake while heading a meeting. Don also advised that he was taking advantage of the fact that Chris is not the President yet, as he would never break the SA rule... **Don't fine the Prez.** Nathan, in abstentia, was fined for his Financial Industry connection which Don somehow believes connects him to the false tweet that sent the Dow into a tailspin yesterday. Poor Nathan.....and not even there to defend himself. Happy Bucks then filled the cauldron.

On that note time to get to work. We then recited the Four Way Test
