San and Donna have been very, very busy --lots of work --getting the scheduling, the university students, the props all organized.

They have booked every Friday morning for the months of January and February. There are 2 or 3 classes --most 2 and each class will take 1/2 hour.

What San and Donna need are volunteers for 2 tooth fairy positions every Friday morning.

You will wear a tiara, wings and a tutu- the tutu just goes over your own lower garment --carry a wand and a shield. I think for the top it would be good to wear your Rotary T-shirt. Given that it is a bit cold you could wear it over

another shirt. Your job will be to help the children identify good food and foods that require brushing to keep the teeth healthy. The shields have velcro strips and the children will take the picture of the food they are given and stick it onto the appropriate shield.

After the food discussion has taken place, San will explain to the children, using Mr. Cheeky, how to brush and floss. Then each child will be given a "Tooth Tool Kit" and talk about that. Then bye bye.

So --hopefully you are ready to support and have some fun with the Kindergarten and Grade Ones.

This Friday we will be going to Pleasant Valley for a test run. We do have right now 2 tooth fairies, Dr. Don Ross and his wife Ellen, a downtown Rotarian, who have been part of our planning session. They did a great deal of work in Ontario and Manitoba with Public Health about Dental and are great resources.
