The Scribe

Rotary Minute Nelson Allen

Nelson recounted a joke told in his makeup attendance at the Maui Kihei Sunrise Club that best be left unreported to protect the manhood of a certain Hawaiian factory worker.

Patrick advised that Chris Everett continues to struggle medically, as he has now been diagnosed with colon cancer.

Rod Mont advised that the Nanaimo Concert Band will be playing this Sunday afternoon at the Port Theatre.

Guest Speaker

Our guest speaker was unable to attend, as he is recuperating from minor surgery, so Don suggested that club members stand up and advise the club of recent changes in their particular vocation.

Don Bonner

Google has changed their algorithm to elevate the status of mobile and secure sites. Don explained that a mobile site is responsive in that it shows the same on computer, tablet or cell phone screens and secure sites have data received and delivered in an encrypted state.

Ev Boegh

Ev advised that Microsoft will not be supporting Windows Server 2003 after July 14/15. If you are using Windows XP you should be upgrading to a newer version. Ev suggested that businesses consider hosting everything in the cloud rather than maintaining their own servers. Ev's company, Mosaic has organized a gaming convention at VIU this summer.

...the elusive Robb Mowbray was spotted at the meeting...

Bill Brendon

Bill advised that he is involved in organizing a Dine around Nanaimo event this October. There will be 3 set menus priced at 30, 40 and 50 dollars. Restaurants participating will be in the mid-island area up to Qualicum Beach.

Bob Wall

There have been recent changes to the Building Code this year. For example, condos up to 6 stories can now be built with wood. Bob believes that the cost of all Building code changes will add about \$20,000 to the cost of building an average single family residence. The changes to the code are so extensive, it is important to consult a professional before proceeding with construction.

Four Way Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Karin Mattern

An MRI done by a Dr. Fryer, showing why a joint pops, has gone viral. It shows that the pop is the result of compressed air created when a joint releases. In addition, Karin advised that SFU will be teaching Chiropractic medicine and they are starting construction of the facility at the end of 2015.

Robb Mowbray

Robb and his daughter, Dana, are in the play "Bus Stop", running at the Bailey Studio on Rosstown Road, for the next three weeks.

Graham Calder

The Clippers had a very successful season, making it to the Fred Page Cup Final, losing to The Penticton Vees in the sixth game. The Vees moved on to the Western Canada Cup.

Neil Sorsdahl

Neil confirmed that he has filled all sponsorship slots and now all we need are silent auction prizes and golfers for our tourney on Friday, May 15.

50/50 Patrick

Winning pot 496.50 and Wayne could not pull the nine of diamonds. No winner and the pot continues to grow!!!!!!

Sergeant –at-Arms

The usual cast of rule benders and manipulators were exposed by Kris for the benefit of club coffers. As well, Happy Bucks continued to flow into the treasury.

We then recited the Four Way Test and we scurried off to work or not, or P.A.R.T.Y or not...

Have a Great Week!
