### Rotary International President announces Members Benefit Program!...

Rotary International President K.R. Ravindran introduced a members benefits program at the June 9th closing session of the 2015 Rotary International Convention, saying many more hands are needed to continue Rotary's work around the World.

The program, Rotary Global Rewards, aims to boost membership and enhance member satisfaction.

"This innovative new program allow Rotary members to connect with hundreds of businesses and service providers from around the World — and the number is growing," said Ravindran. "These establishments will offer Rotarians discounts and concessions on everyday business that you do. And, in many cases, not only will you benefit, but our Foundation will as well, by receiving a contribution as part of every transaction."

The program will include discounts on car rentals, hotels, dining, and entertainment. Discounts on more products and services are expected to be added throughout the year.

"It will be another way to benefit from being a Rotarian and being part of the Rotaran network", said Ravindran, whose presidential theme for 2015-2016 is *Be a Gift to the World*. "I urge all of you to become part of that scheme."

**This program was supposed to have been debuted on July 1st. Was it offered here in Canada? Have we received any info on the program? Stay tuned...**
