A Letter from a Happy Oktoberfest Attendee...

Dear Rotary Club,

I just wanted to thank you for giving me one of the best nights of my life! I only heard about the Oktoberfest because my friend, who I went with, told me about it. I don't understand why you don't advertise it more.

The band was excellent! They really got the crowd going and I loved all the communication with us/the audience. I was so surprised when they sang The Happy Wanderer. I turn 59 yrs old on Oct 24 and I learned that song in elementary school. Surprised myself by singing right along. The singalongs were great, as were the drinking songs. My friend and I danced ourselves silly. Everything from polkas to the twist! All the room to move around in was a real bonus. Nothing worse than an overcrowded dancefloor. It did become ferociously hot, though. I thought they could have opened a set of the doors to cool things down. There was a lot of body heat in there!

We loved the Honey Lager from Wolf Breweries and drank about 4 pints of it throughout the night. The brats were so tasty and the sauerkraut with bacon in it was a nice touch. Also the variety of mustards and the fried onions. I did not have the pretzel. My friend did, but said it was a little dry.

We were only able to stay until 11 pm as I had to work the next morning, but intend to stay till the end next year!

We also intend to wear better costumes as we had limited funds this year. As we sat talking and studying what other people had worn we came up with some good ideas on how to improve on our outfits for the next time.

The other thing we discussed was bringing more people with us. We noticed not all the tables were full, but understand this is only the 2nd year for Oktoberfest. I dearly and sincerely hope you will keep it going in the future. I have just had one of the worst years of my life and I can't remember the last time I had so much fun.

Thank you again, so much!
Kathy Mayley
