Donna Allen advised that our Xmas auction is scheduled Wed., Dec 7/16 at the Old City Quarter Pub. Currently, we have a morning meeting that day, but consideration is being given to cancel it.

**Guest Speaker** - Ian Gartshore gave an overview of the many programs that Island Integrated Counselling provides to the community. These include programs for:

- eating disorders
- children's mental health
- dealing with anger issues
- relationship problems

In addition, about five years ago, they started Operation Generation which mentors youth with seniors. They currently operate a bicycle repair class at John Barsby Community School.

Currently, Island Integrated Counselling has two student counselors and five therapists on staff. They are approved for gaming funds, but they require additional funding to operate all the programs.
