Allens in Maui...

We are visiting Rotary Kihei-Wailea. John Moore is the President. It was from the Kihei Sunrise Club that we got the idea for the "CATCH A SMILE" program. In 2015 the Kihei club amalgamated with the Wailea club. They were very interested to hear about our program and gave me a Minions toothbrush! It is great to visit other Rotary clubs and learn about their programs.

Sunshine Ladies reminder...

A reminder...If any members know of another member who is ill or who has had a death in the family, please let our Sunshine Ladies, Sher or Donna know, so that they can send out a card on behalf of the club. Thank you.

3 day conference, lots of different speakers, 800 attendees mostly US and Canada
Cemi's primary focus was to listen to Dr. David Suzuki speak.

David's speech:

To communicate science to non science people;
The relationship with mother earth changes everyday;
We shape the physical properties of the earthwe
are undermining our resources as we use our
resources without thinking;

After WWII, consumption started and in the future we
can't just think about money and consumption,
we have to think more about our environment.

Cemi asked what priority means to us:

- All get along;
- Eliminate poverty;
- Lower plastic consumption.

Cemi was getting at that our most important priority should be
earth, Nature, Environment and Sustainability
Coke and Timberland are building more responsible, are in-
volved in communities, social responsible programs and
reducing foot print.
