Donna Allen did her classification talk, her first one even though she has been a Daybreak Rotarian for 24 years! She was born in Trail and raised in Nelson - idyllic place to grow up and a wonderful community. After high school went to UBC and took psychology but got married and did not finish right away. Started to substitute teach when kids were little in Port Alberni. Took correspondence courses from UBC, finished her BA and did the teaching intern training program to complete her Ed degree. Started teaching in 1985, met Nelson there. Married in 1986. Donna and Nelson have 5 children, 9 grandchildren, and 3 great grandchildren and one in the oven due in October. Masters from San Diego State University. Worked at NDSS which was a vibrant wonderful school to work at and Donna and Nelson completed many great initiatives in their time there. Sat on school board. Lost her youngest daughter Leslie in 2021 which has been really tough. Kris Rongve secured \$\$ from Clippers for Hospice which she was happy to present. Brought to Rotary by participating in the tree planting on Labieux. She is a past president for our club.

Bill Brendan: Poker Tournament June 23 - need people to sign up and sponsors. Jeff is happy to organize a "learn to play" event.
