Meeting Notes – August 21, 2024, by Kris Rongve, photos by Cathy Manson

President Daryl opened the meeting and, just as he called on Lisa G. to do the Invocation, she arrived! Her timing was impeccable even if it meant she was a little breathless as she did the very lovely/meaningful invocation. Tanya F. then did introductions and, in addition to our guest speaker and two pint sized Rotarians (thanks for bringing them, Valri!), we had a person from Kamloops. If you are thinking that I did not get names down, you would be correct!

The Sgt of the day assigned tables through a complicated game of heads and tails with a coin and (I am certain) a lot of laughter as we all clutched either our heads or our rears in turn. But that is fair. We were laughing too.... As a comment (not a complaint, mind you because that is coming later), my table was second last.

Our guest speaker was Don (Monty) Montgomery who spoke about a water filtration project in Banos, Ecuador.

- Clean water projects have been his passion.
- In this project, he is working with a young Rotary club in Banos which is populated mainly by hotel owners in the area.
- He is also working with Malcolm Kennedy of the Coquitlam Sunrise club.
- The project will support 8 schools where, if students drink the water, they get sick.
- They have received a \$5000 USD matching grant through Rotary.
- The school system has raised its own \$5000 USD amount which is unusual.
- The project is specifically asking our club for \$1000 for paint and tools.

-The work party is open to volunteers and it sounds like it would be well worth it to go.

I think that Bill B. gave a good summation when he commented that the presentation was proof that a logo and dumb coloured t-shirts could outweigh politics to help human kind. Little confused by the dumb coloured t-shirt comment though. What's wrong with blue and gold? It could be purple and turquoise after all.

Doug L. offered a gift certificate for a resort stay for \$100 foundation donation. It was quickly snapped up. Kris R: September 7, 2024 chili party at Donna and Nelson's house. Starts around 3, lasts until they kick us out. Kris R: will the club support/work at a garage sale which will sell off items for the benefit of a good charity? Apparently, it will! Cathy M: Rotary Youth Exchange Student barbeque August 28th. Buy your ticket! Give auction items!

50/50 done. I am fairly certain that Denise L. won. But did not write that detail down....

The Sgt had (almost) the last word. He fined himself and then me. ME! I argued. I complained but I was squashed down and paid. Happy bucks after that.

The test and the toast and then we left.
