December 13: Christmas Auction

This is a great time to recycle those “unique” things we have in our closets. The auction is lots of fun and raises more than a few dollars for the cause.

Also, creative person that she is, Pres Kris, has a “special” auction item for us. So come prepared with your twonies...

December in Rotary:

“Rotary is one of the best sources of establishing friendship because it offers an occasion to know people, and once we know people, generally we learn to like them.”

PRIP [Armando de Arruda Pereira](#) at the [1941 Convention, Denver, USA](#)

December is Family month in our Rotary calendar. It's a time to meet and greet our extended Rotary family. This family doesn't just include our Rotary club member's personal families but also those alumni of Rotary programs such as RYLA, Rotaract, Interact, Scholars and GSE. It's a wonderful and appropriate time to meet up with old friends and to get to know those who will follow in our footsteps. The greater the size of the Rotary family, the more good we can do in this world.

December 6 Meeting Report — Submitted by Rod Mont

Rod Mont discussed the average club size for Rotary and women in Rotary for the Rotary moment. The average size is 30 and North American clubs are the largest clubs in the world with an average size of 48. The growth of Rotary over the past 10 years is slightly lower than the increase of women members in Rotary.

Maira Steele handed out information regarding our Christmas families and reminded us to bring items for the auction and money to buy the auction items. In the spirit of auctions, Daryl Stech bought his own jacket back for \$25; apparently it costs money to leave items of clothing behind.

Lee Mason was the guest speaker and advised us about the Kid Ventures program which is sponsored by the Chamber of Commerce. It is a youth entrepreneur program which gives our inner city school students an opportunity to learn about business. The program works with students from Georgia Avenue, Park Avenue and Fairview and involves students writing up business plans with the top plans being selected for a Business Fair in March. The program starts in January and sponsors are needed to support the program. As well, volunteers are needed to give talks to the students. For further information, please contact Lee.
