NOTICES & NEWS

Clarification on last week's Meeting Notes...

With regards to last week's Meeting Notes, Jim McIvor wishes to clarify the following:

We have our home up for sale and if it sells right away, Julie and I will be moving to Victoria. This could take months. Alternatively, we will rent out our house and rent in Victoria and play out my career with HSBC over the next few years. Either way.....

My wife of 32+ years and I will be happily relocating to Victoria together.

Cheers,
Jim McIvor
