## NOTICES & NEWS

### *Eileen's Installation this coming weekend!...*

Don't forget the Installation event for Eileen Tatton's ascendancy to the Presidency will take place this coming Sunday evening, June 7th, starting at 7pm in the Kin Hut at Departure Bay Beach. Tickets are \$10 per person. Please let Kris Rongve know if you plan to attend, if you are bringing any guests, what type of burger each would like (beef, veggie or chicken).

### *2015-2016 Dues Invoices Coming Out Soon...*

I will shortly be distributing your annual dues invoice, which is payable by the end of June. If anyone **is not** planning on continuing their membership, I would like to know sooner than later (ie before the end of May), so I can update our membership list at Rotary International and not be charged district dues. District dues have streamlined their process, which automatically charges us dues on our membership on 1 June. Looking forward to hearing from no one :<)))

Yours in Rotary

Neil

On March 23 thru March 26 there was a Polio vaccination campaign throughout 20 African countries. The campaign is critical to protect children before the high season which in the Northern hemisphere starts in the summer. Due to insufficient funding, the polio eradication initiative is scaling back campaigns planned in the critical March through July period leaving many countries vulnerable to polio outbreaks. There was a funding shortfall of US\$405 million in 2012.

Across West and Central Africa, over 111.1 million children younger than five years are expected to be vaccinated through this campaign, regardless of their previous immunization status. Nigeria, the only polio endemic country in Africa, aims to get two drops of the oral vaccine into the mouths of 57.7 million children. Nineteen other countries, which are at risk of re-infection, are stepping up efforts to reach nearly 53.3 million children.

Kris Rongve confirmed that installation is scheduled for 5pm Sunday June 7 at the Kin Hut in Departure Bay. Chicken, Beef and Veggie burgers will be served and each club member asked to bring a salad, vegetable or dessert. Cost is \$10 each and a signup sheet was circulated.

Doug Lum advised that his daughter is cutting her hair to fundraise and he was looking for our support. In addition, Mayco Mix is donating concrete for a pathway around the Enchanted Woodlands Daycare and Doug is looking for volunteers to provide labour.

Neil Sorsdahl advised that our Golf Tourney raised just over \$13,000. He then presented cheques to Hayden Johnston of the B&G Club, Steve Arnett of NYSA and our very own Scott Bradford from the CDC.

Bill Brenden informed the meeting that most landlords require liability insurance for fundraisers held on their premises and if you need assistance in securing this insurance he can help.

San advised that the Nepal candle light vigil raised \$5,600 and they continue to sell Nepal T-shirts for \$20. In addition, San has organized a Facebook challenge where an individual can post a picture of themselves wearing the Nepal T-shirt and challenge other friends to do the same. San then presented two banners obtained on his makeups in Kathmandu.
