Meeting Notes - June 10th, notes by Ron Blanke, photos by Donna Allen

With Don Bonner presiding and Rod Mont on the horn, we began promptly at seven.

Dave Thompson's Invocation brought tears to his eyes when he wrote:

*May the wind blow free where ever you may be
So Rotary groups all over the world can plant another tree,
Build a school, dig a well, build a playground for kids o yell with joy.
Help the ones in need. Let's not forget to say thank-you and please.*

Congratulations Eileen and the Board

*Nanaimo Rotary Daybreak has spoken with pride
The fishing group even has a token Chinese guy.*

*May the seas be calm for the fishing gang and me
May the fish be biting for everyone to see (the photos)*

Guest of Graham Calder was Mike Garvie, renovation specialist and City of Nanaimo Emergency Programme Manager Karen Lindsay.

Harry Stefan's Rotary Moment shared the numbers of Rotary. Between 1985 and 2014, Rotary has immunized 2.5 BILLION children against polio and spent \$1.3 BILLION to eradicate this scourge.

Rotarian of the Year Ballots were distributed by Rod.

Karen Lindsay talked about Emergency Programme Objectives and myths that that we have.

"It'll never happen to me." Forget about help from the City as help for you isn't coming. At any instant the City has on 16 Firefighter, 10-12 Police and four Ambulance personnel. WE WILL BE OVERWHELMED. The first thing to consider in your individual emergency preparedness is that you must be prepared to be self sufficient for Minimum 72 hours.

Consider any major disaster will also hurt our City's infrastructure. ie. Christchurch lost 40% of it's tax base.

In order of precedence, Nanaimo's expected hazards are Marine Incident, MVA with mass casualties, Fire, Rail, then Seismic, Loss of Containment and Drought.

...Pres Don with Karen Lindsay...

In seismic events, everyone remembers "DROP, COVER & HOLD." Add count to 60 then go.

Your personal emergency kit should include 4 litres of water/day, 2000 calories, portable light & radio, FA Kit, escape tools, evacuation plans, sanitation, shelter, emergency info, H2O purifying, etc. Your Grab & Go Kit should include copies of insurances & personal documents. Check out the City's website for more. <http://www.nanaimo.ca/EN/main/departments/Fire-Rescue/>

Four Way Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Karen notes that F.A.S.T. <http://fast-safety.myshopify.com/collections/2-person-emergency-home-kits> has emergency preparedness kits to suite all size families,
