*Meeting Notes - Feb 6/2019 submitted by Randall Taylor, photos by Donna Allen.*

President Ev Boegh opened the meeting with 'O Canada' accompanied by Rod Mont.

**Guests:** were introduced including; Doug Blender, Past President of the Semiahmoo Rotary Club, Tony Davis, our guest speaker today, Teresa Neilson from Nanaimo Unique Kids, Denise Fraser, Garry, and Jodi & Lauren Rogers.

**Rotary Moment:** Ken Hammer provided a Moment with reference to The Art of Relevance, asking "Are we (Rotary) relevant" and "Who are we relevant to"? Ken underscored that welcoming guests into Rotary is important in creating relevance for new members. The role of our greeters is to make people feel welcome and relevant when they come to our club. Ken suggests that being a greeter is a great opportunity to make guests feel welcome.

**Announcements:** Bonnie needs all club members to complete the Youth Protection on-line training. Please do this now. Likewise, Bill Hardy reminds all members to complete their criminal record check. All members should have received an email from Bill with details.

Sher H. reminded us that February 28<sup>th</sup> is "paint night". This fellowship event requires a minimum number of participants. See Sher to sign up. Sher is also working on an evening at the Chemainus Theatre in the month of April. More info to follow.

Ev encourages members to support and be involved with the Coldest Night of the Year event. Daybreak will be providing a walking team. The event is February 23<sup>rd</sup>. See Ev for more information.

Bill Brendon provided San Mahara with his winnings (\$612) from last week's 50/50 draw.

Additional Paul Harris awards were presented; Rod Faye has attained Paul Harris +2 and Ron Blank has reached Paul Harris +4.

San Mahara introduced a charity called "The Weight We Carry". The charity supports women's mental health in Kathmandu, Nepal. The five Nanaimo area clubs will provide \$2,500. to this cause.

**Program:** Our guest speaker Tony Davis represents the Anglican Diocese in matters of refugees. He is active in Rotary and was a founding member of the Loaves and Fishes organization. *(I will state here that the presentation given by Tony was very informative and encouraged participation in support of refugees far more than these short notes can convey. The writer recommends attendance at a presentation by Tony to understand better the fundamentals and support of refugee sponsorship.)* In Canada the resettling of refugees is done through a private sponsorship group. This group is responsible for a period of 12 months following settlement. Canada is the only country in the world currently using this "private sponsorship" model.

Tony clarified that he is describing the process of refugees, not asylum seekers. Refugees are defined as being outside of their home country and cannot be integrated into the country in which they are currently located and they cannot return to their home country. Some of the critical issues of resettlement are: cost of housing, language training, employment, access to daycare and medical and dental health care. Dental health is provided by the Interim Federal Health Plan. This provides only limited services and through a limited number of dentists. Sponsorship groups must consider what they are able to offer, what is essential, that they will be seeking outside funding. Tony suggests that Rotary Clubs could be a good source for funding.

**Draws:** 50/50; Donna Allen had her chance at the cards, but no luck. The Foundation draw was won by Sheila.

Sergeant at Arms collected fines and Happy Bucks. President Ev reminded us to "be the inspiration" for the world and each other. We then recited the Four Way Test and said our goodbyes.
